- 1984
Assistant Instructor
Department of Communication
Michigan State University
East Lansing, Michigan
- Courses Taught:** Nonverbal Communication (graduate); Interpersonal Communication (undergraduate)
- 1981-1988
Senior Analyst & Project Manager
Burgoon Company, Inc.
6841 N. Montezuma
Tucson, Arizona
- Research Topics:** Newspaper readership research; Market research; Public opinion surveys
- 1984
Research Consultant
PERT Survey Research, Inc.
522 Cottage Grove Road
Bloomfield, Connecticut
- 1984-1986
Assistant Professor
Department of Speech Communication
Texas Tech University
Lubbock, Texas
- Undergraduate Courses Taught:** Nonverbal Communication; Persuasion; Small Group Communication
Graduate Courses Taught: Seminar in Survey Research Methods; Seminar in Nonverbal Communication; Seminar in Persuasion; Contemporary Communication Theory
- 1988-1998
President
Communication and Opinion Resources, Inc., Tucson, Arizona
- Research Topics:** Newspaper readership research; Public opinion surveys; Communication strategies for disease prevention
- 1986-1997
Professor, 1996-1997
Associate Professor, 1990-1996
Assistant Professor, 1986-1990
Department of Communication
University of Arizona
Tucson, Arizona

Undergraduate Courses Taught: Fundamentals of Communication; Introduction to the Mass Media; Theories of Mass Communication; Nonverbal Communication; Persuasion

Graduate Courses Taught: Communication Theory; Seminar in Social Influence; Research Methods I (Theory Construction, Measurement, Design); Research Methods II (ANOVA and Regression); Seminar in Research Methods (Field Research Methods); Theories of Social Influence; Survey Research Methods; Seminar in Deception; Seminar in Alternative Channels for Public Health Messages; Seminar in Communication and Medicine

- 1990-1997 Faculty Member
Arizona Cancer Center
University of Arizona
- 1992-1997 Faculty Member
Arizona Graduate Program in Public Health
University of Arizona
- 1996-1997 Faculty Member
Community Health Education and Promotion Section
Arizona Prevention Center, University of Arizona
- 1998-2007 President
Katian Company, Inc., Evergreen, Colorado
- 1999-present Member
Colorado Comprehensive Cancer Center
University of Colorado Health Sciences Center
- 1999-2003 Adjunct Professor
Department of Communication
University of Colorado at Boulder
- 2000-2009 Adjunct Professor
Department of Journalism and Technical Communication
Colorado State University
- 1997-2002 Senior Scientist and Chair, Center for Health Communication, 1999-present
Senior Scientist, Center for Behavioral Research, 1997-1999
AMC Cancer Research Center
1600 Pierce St.
Denver, Colorado

- 2002 Visiting Professor
Department of Communication
North Dakota State University
- Course Taught:** Seminar in Health Communication
- 2002-2005 Harold Simmons Senior Scientist for Health Communication
Vice President, The Cooper Institute – Denver
The Cooper Institute
14023 Denver West Parkway, Suite 100
Denver, Colorado
- 2007-2013 President
Naitak, Inc., Boulder, Colorado
- 2005-2011 Adjunct Professor
Department of Communication
University of Colorado at Denver and Health Sciences Center
- 2012-present Managing Member
Wedge Communications LLC, Golden, Colorado
- 2014-present President
Goldcliff, LLC, Golden, Colorado
- 2005-present Senior Scientist & Director of Research
Klein Buendel, Inc.
1667 Cole Blvd., Ste. 225
Golden, Colorado

ADMINISTRATIVE EXPERIENCE:

- 1991-1997 Director
Behavioral Sciences Section
Arizona Cancer Center
University of Arizona
Tucson, AZ 85724
- 1997-2002 Director
Health Communications Core
AMC Cancer Research Center
1600 Pierce Street
Denver, CO 80214

1999-2002 Chair
 Center for Health Communication
 AMC Cancer Research Center
 1600 Pierce Street
 Denver, CO 80214

2002-2005 Vice President
 The Cooper Institute – Denver

UNIVERSITY SERVICE ACTIVITIES:

University/College/Institute Committees:

Texas Tech University:

Policy Board, Institute for Communication Research, Associate Director, 1985-1986, Member, 1984-1986

University of Arizona:

University Teaching Center Fellow, 1988-1990

Member, Education Subcommittee, University Recycling Committee, 1989-1990

Standing Faculty Member, College of Arts and Sciences Grade Appeal Committee, 1989-1991

Member, Advisory Board, Extended University, Certificate in Human Resources, 1989

Member, Executive Committee, Postdoctoral Program in Cancer Etiology and Prevention, 1991-1995

Member, Sabbatical Leave Review Committee, College of Social and Behavioral Sciences, 1993

Member, Committee on Majors and Professional Schools, University College, 1994-1995

Chairperson, Tobacco Prevention and Use Research Steering Committee, College of Medicine, 1994-1995

Member, Advisory Board, Social and Behavioral Sciences Research Institute, 1995

Member, Graduate Council, Graduate College, 1995-1997

Graduate College Fellowship Review Subcommittee

Graduate Programs Quality and Productivity Subcommittee

Graduate College Recruiting Brochure Development Subcommittee

Member, Outstanding Graduate Teaching Assistant Committee, College of Social and Behavioral Sciences, 1997

AMC Cancer Research Center

Chair, Intellectual Property Committee, 1998-present

Chair, Photoprotection Certification Committee, 1998-2001

Member, Personnel Committee, 1999-2002

Chair, Outreach Committee, 1999-2002

Member, President's Executive Board, 2000-2002

Member, Institutional Review Board for the Protection of Human Subjects, 2000-2002

The Cooper Institute
 Executive Committee, 2002-2005
 Website Redevelopment Committee, 2003-2005

Departmental Committees and Service:

Michigan State University, Department of Communication:
 Graduate Student Class Representative, 1980-1981
 Graduate Admissions Committee, 1981-1982

Texas Tech University , Department of Speech Communication:
 Search Committee, 1984-1986
 Library Committee, Chairperson, 1984-1985, Member, 1985-1986
 Director of Research, 1985-1986

University of Arizona, Department of Communication:
 Graduate Admissions Committee, 1987-1997
 Human Subjects Committee, 1987-1997
 Five-year Department Chair Review Committee, 1990
 Faculty Search Committee, 1994-1995, 1996-1997 (chair)

University of Arizona, Arizona Cancer Center:
 Executive Committee, Cancer Etiology and Prevention Postdoctoral Training Grant, 1991-1995
 Associate Director of Cancer Prevention and Control Search Committee, 1995-1996
 Co-Director, Cancer Prevention and Control Shared Resource, 1993-1997

University of Arizona, Graduate Program in Public Health
 Committee on Mission, Standards, Procedures, and Quality Management, 1993-1994

University of Arizona, Department of Nursing
 Advisory Board, Senior Health Peers Project, 1995-1997

Graduate Student Advising:

Current:

Master's	Advisor:	0 committees
	Committee member:	0 committees
Doctoral	Advisor	0 committees
	Committee member:	0 committee

Completed:

Master's	Advisor:	5 committees
	Committee member:	12 committees
Doctoral	Advisor	5 committees
	Committee member:	16 committees

On-Campus Presentations and Consulting:

December 1985	Nonverbal communication in patient consultations, Department of Nutrition, Texas Tech University
October 1986	Research consultant, College of Family and Consumer Resources, University of Arizona
October 1986	The effects of physician interaction style on patient satisfaction, compliance, and perceptions of effectiveness in the treatment of chronic pain, Communication Sciences Research Group Colloquium, University of Arizona
January 1987- January 1988	Communication issues in the classroom, Graduate College, New GTA Training Program, University of Arizona
February 1987	New directions: An expectancy violations interpretation of vocal behavior, Department of Communication Colloquium, University of Arizona
March 1987	Communication practices for tutors, Office of Minority Student Affairs, University of Arizona
March 1989	Communication skills for high school teachers, University of Arizona High School, Forum, University of Arizona
September 1988	Communication skills in the classroom, University Teaching Center, Teaching Improvement Seminars, University of Arizona
January 1989	
August 1989	
January 1990	
August 1990	
October 1991	Communication research in cancer prevention and control, Cancer Prevention and Control Program, Arizona Cancer Center, University of Arizona
June 1992	Predictors of cervical cancer screening in young Hispanic women, Cancer Prevention and Control Program, Arizona Cancer Center, University of Arizona
September 1992	Cervical cancer screening among Hispanic women, Department of Family and Community Medicine Epidemiology Series, University of Arizona
May 1993	5 A Day: Healthier Eating for the Overlooked Worker, Cancer Prevention and Control Program, Arizona Cancer Center, University of Arizona
October 1994	Family Sun Safety Projects, Cancer Prevention and Control Program Arizona Cancer Center, University of Arizona

FUNDED RESEARCH PROJECTS—COMPLETED:

<u>Date</u>	<u>Agency</u>
1979	Florida Democratic Executive Committee Auburn University Research Associate Media Consumption Behaviors and Political Attitudes of Delegates to the 1979 Florida State Democratic Convention

1994	Skin Phototrauma Foundation University of Arizona Co-Investigator Sun Smart Day: A Pilot Program for Photoprotection of Children	
1992	U.S. Army Research Office University of Arizona Co-Principal Investigator Augmentation Award for Science and Engineering Training	\$98,000
1993	Arizona Disease Control Research Commission University of Arizona Principal Investigator Sunny Days, Healthy Ways: Evaluation of a Skin Cancer Prevention Curriculum for Elementary School Students	\$42,492
1994	U.S. Centers for Disease Control and Prevention Co-Principal Investigator Skin Cancer Prevention in Arizona Day Care Centers	\$300,000
1994	Arizona Heart Association University of Arizona Co-Investigator Effect of Fruit and Vegetable Consumption on Risk Factors for CVD: Lipid Profile and the Oxidation of LDLs	
1990	National Cancer Institute University of Arizona Co-Investigator Cancer Center Core Grant	
1992	National Cancer Institute University of Arizona Co-Investigator Vanguard Clinical Centers for Clinical Trial and Observational Study of the Women's Health Initiative – West	

1994	U.S. Army Research Office University of Arizona Co-Principal Investigator Augmentation Award for Science and Engineering Training	\$116,910
1996	U.S. Centers for Disease Control and Prevention University of Arizona Technical Advisor Division of Cancer Prevention and Control Center for Chronic Disease Prevention and Health Promotion	
1992	National Cancer Institute University of Arizona Principal Investigator 5 A Day: Healthier Eating for the Overlooked Worker	\$1,575,353
1997	Cancer Research Foundation of America AMC Cancer Research Center Principal Investigator Multimedia Program for the Sunny Days, Healthy Ways Elementary School Sun Safety Curriculum	\$33,000
1994	National Cancer Institute University of Arizona/AMC Cancer Research Center Principal Investigator Comparison of Community Channels for Family Sun Safety	\$1,313,090
1998	Environmental Protection Agency (subcontract to Boston University through Communication & Opinion Resources, Inc.) Co-Investigator Ongoing Evaluation of the UV Index	
1998	National Cancer Institute AMC Cancer Research Center Co-Investigator Sunny Days, Healthy Ways CD-ROM Curriculum	
1995	Robert Wood Johnson Foundation University of Arizona/AMC Cancer Research Center Co-Principal Investigator Evaluation of the Full-Court Press Project for Preventing Youth Tobacco Use	\$900,000
1997	National Cancer Institute The Cooper Institute Principal Investigator Arresting Smoking Uptake Using Interactive Multimedia	\$1,716,866
1998	National Cancer Institute The Cooper Institute Principal Investigator Sunny Days, Healthy Ways Grade 6-8 Sun Safety Curriculum & Dissemination Supplement (\$147,000)	\$2,756,392

1999	National Cancer Institute AMC Cancer Research Center Co-Investigator Sunny Days, Healthy Ways Grade 6-8 CD-ROM Curriculum	
2000	National Cancer Institute The Cooper Institute Principal Investigator Sun Safety for High Altitude Ski Area Staff & Guests	\$3,103,706
2000	National Cancer Institute Klein Buendel, Inc. Co-Investigator Sunny Days, Healthy Ways Grade K-5 CD-ROMs	
2000	National Cancer Institute The Cooper Institute Principal Investigator Internet: A Change Agent for Rural Multicultural Adults & Minority Supplement	\$3,135,141
2000	National Cancer Institute Klein Buendel, Inc. Principal Investigator Web-based Support for Community Tobacco Control Coalitions & Dissemination Supplement (\$182,335)	\$6,250,440
2001	Colorado Department of Public Health and Environment AMC Cancer Research Center Co-Investigator Dissemination of <i>Consider This</i> Smoking Prevention Program	
2002	National Cancer Institute Klein Buendel, Inc. Co-Investigator Reinventing 5 a Day Tested Interventions with Technology	
2004	U.S. Centers for Disease Control and Prevention The Cooper Institute Principal Investigator Conference on Increasing Physical Activity in Populations: Diffusion and Dissemination	\$20,000
2004	National Cancer Institute/National Institute on Diabetes, Digestive, and Kidney Diseases The Cooper Institute Principal Investigator Conference on Increasing Physical Activity in Populations: Diffusion and Dissemination	\$12,000
2005	Robert Wood Johnson Foundation University of California, San Diego Co-Principal Investigator Increasing Physical Activity in Populations: Diffusion and Dissemination – Special Issue of the <i>American</i>	\$50,000

<i>Journal of Preventive Medicine</i>		
2004	National Cancer Institute Klein Buendel, Inc. Principal Investigator Disseminating Go Sun Smart to an Outdoor Recreation Industry	\$2,421,272
2006	Colorado Department of Public Health and Environment Klein Buendel, Inc. Project Director Colorado Comprehensive Skin Cancer Prevention Program	\$1,190,000
2006	National Cancer Institute Klein Buendel, Inc. Co-Investigator Web-based 5 a Day Education for College Campuses	
2009	National Cancer Institute Klein Buendel, Inc. Principal Investigator Solar Cell: A Mobile UV Manager for Smart Phones Phase I	\$200,000
2004	National Cancer Institute Klein Buendel, Inc. Principal Investigator Diffusing Sun Safe Policies to Schools	\$3,978,905
2004	National Institute on Alcoholism and Alcohol Abuse University of New Mexico Co-Investigator Website Prevention of College Binge Drinking	
2007	National Heart, Lung, and Blood Institute Klein Buendel, Inc. Co-Investigator Study of the Naturalistic Dissemination Process of an Evidence-based Program	
2005	National Cancer Institute Klein Buendel, Inc. Principal Investigator Randomized Trial Testing a Web-based Quit Smoking Program and Supplement	\$3,580,538
2005	National Institute on Alcoholism and Alcohol Abuse University of New Mexico Co-Investigator Web-based Responsible Beverage Service Training	
2009	National Institute on Drug Abuse University of New Mexico Co-Investigator Web-based Substance Abuse and STD/HIV Prevention	

2011	National Cancer Institute Klein Buendel, Inc. Principal Investigator Solar Cell: A Mobile UV Manager for Smart Phones Phase II	\$999,000
2011	National Cancer Institute Klein Buendel, Inc. Multiple Principal Investigator Sustainability of the Go Sun Smart Program in a Recreation Industry	\$1,465,020
2009	National Institute on Allergy and Infectious Diseases University of New Mexico Co-Investigator Sexually Transmitted Infections Cooperative Research Centers	
2007	National Institute on Alcoholism and Alcohol Abuse University of New Mexico Co-Investigator Web-based Responsible Beverage Retail Service Training	
2015	National Institute on Drug Abuse Klein Buendel, Inc. Principal Investigator Intervening to Prevent Youth Access to Marijuana – Phase I	\$224,939
2011	National Cancer Institute Klein Buendel, Inc. Co-Investigator Conversations About Cancer: A Theatrical Production	
2009	National Cancer Institute Klein Buendel, Inc. Multiple Principal Investigator Sun Safe Workplaces: A Campaign on Sun Protection Policies for Outdoor Workers	\$2,866,247
2011	National Cancer Institute San Diego State University Co-Investigator Comprehensive Sun Protection in Recreation: An Advanced Go Sun Smart Program	
2013	National Cancer Institute University of Arizona Co-Investigator Online Tobacco Cessation Training & Competency Assessment for CAM Practitioners	
2014	National Cancer Institute	\$1,379,866

	Klein Buendel, Inc. Multiple Principal Investigator Sun Safe Workplaces: Assessment of Benefits and Costs of a Policy Intervention	
2010	National Cancer Institute Klein Buendel, Inc. Principal Investigator Norms and the Built Environment: Use of Shade in U.S. and Australian Parks	\$2,698,702
2014	National Cancer Institute Klein Buendel, Inc. Multiple Principal Investigator Sun Safe Workplaces: Assessment of Benefits and Costs of a Policy Intervention	\$1,379,866
2013	Eunice Kennedy Shriver National Institute of Child Health and Development Claremont Graduate University Multiple Principal Investigator Translation of District Sun Safe Policies to Schools	\$1,519,291
2014	National Cancer Institute Memorial Sloan Kettering Cancer Center Co-Investigator Personalized Genomic Testing for Melanoma: Maximizing Personal Utility and Reach	
2016	National Institute on Drug Abuse Klein Buendel, Inc. Principal Investigator Intervening to Prevent Youth Access to Marijuana – Phase II	\$1,471,007
2016	Patient-centered Outcomes Research Institute University of New Mexico Co-Investigator Project Title: Engaging Patients and Providers in Collaborative Communication on HPV Vaccination (EPPIC-HPV)	\$434,967

FUNDED RESEARCH PROJECTS – ACTIVE:

Date:

Agency:

2012	National Institute on Alcohol Abuse and Alcoholism Pacific Institute for Research and Evaluation Co-Investigator Web-based Family Prevention of Alcohol and Risky Sex for Older Teen
------	--

15

\$3,301,527

2014	National Institute on Drug Abuse Pacific Institute for Research and Evaluation Co-Investigator Group-based Intervention for Alcohol, Drugs, and Aggression Among Club Patrons	\$2,578,340
2015	National Cancer Institute Klein Buendel, Inc. Multiple Principal Investigator Likes Pins and Views: Engaging Moms on Teen Indoor Tanning Thru Social Media	\$1,454,570
2017	National Cancer Institute Klein Buendel, Inc. Co-Investigator Project Title: Sun Safety Ink! A Sun Safety Program for the Tattoo Community	\$1,991,484
2017	National Cancer Institute Klein Buendel, Inc. Principal Investigator Project Title: Using Technology to Scale-Up an Occupational Sun Protection Policy Program	\$3,384,409

FUNDED RESEARCH PROJECTS – PENDING:

None

FUNDED INSTRUCTIONAL PROJECTS – COMPLETED:

1988	Provost's Teaching Improvement Award Development of instructional media modules for use in sequence on social effects of mass communication	\$2,000
1989	Classroom Improvement Award Renovation of Room 206, Speech Building	\$27,000

PROFESSIONAL ACTIVITIES AND SERVICE:

Professional Association Memberships:

International Communication Association, 1979-present
 National Communication Association, 1979-2013
 Eastern Communication Association, 1980-1984
 Western States Communication Association, 1983-2002
 American Society of Preventive Oncology, 1992-2004
 American Public Health Association, 1992-present
 Southwest Oncology Group, 1992-1997
 Society of Behavioral Medicine, 1995-present
 Colorado Cancer Coalition, 2005-present
 Society for Research on Nicotine and Tobacco, 2004-2013
 Kettil Bruun Society for Social and Epidemiological Research on Alcohol, 2016-2017

Professional Committees and Service:

Member, Cancer Control Committee, Southwest Oncology Group
 Representative, Legislative Council, Western States Communication Association
 Member, Organizational Structure Review Committee, Western States Communication Association
 Member, Interpersonal and Small Group Interaction Division Awards Committee, Speech Communication Association
 Chairperson, Joint Data Analysis Working Group, 5 A Day for Better Health Community Trials, National Cancer Institute
 Chairperson, Publication Committee, 5 A Day for Better Health Community Trials, National Cancer Institute
 Invited Participant, The Future of Behavioral Sciences in Cancer Prevention and Control Meeting, National Cancer Advisory Board and National Cancer Institute
 Member, Scientific Advisory Committee, AMC Cancer Research Center, Denver, Colorado
 Conference Co-Chair, National Skin Cancer Prevention Education Program, American Academy of Dermatology
 Member, External Advisory Committee, Children's Sun Protection Program, Stratospheric Protection Division, U.S. Environmental Protection Agency
 Permanent Member, Community Prevention and Control Study Section, National Institutes of Health
 Member, NHLBI's Health Information Network Special Emphasis Panel, National Health, Lung, and Blood Institute
 Scientific Advisor, Cancer Control Program, Dartmouth Cancer Center, Dartmouth College
 Member, Special Review Panel, Health Communication Research Grants, Office of Communication, Centers of Disease Control and Prevention
 Member of Scientific Advisory Committee, Harvard Cancer Prevention Program Project: Cancer Control in Multiethnic, Working Class Populations
 External Advisor, Risk Communication Strategies in Breast Cancer Prevention, American Cancer Society National Office
 Member, External Advisory Committee, Sunwise Schools Program, Stratospheric Protection Division, U.S. Environmental Protection Agency
 Member, Working Group, Colorado Tobacco Research Program
 Permanent Member, Social Sciences, Nursing, Epidemiology and Methods Study Section 1,

National Institutes of Health
Permanent Member, Community-Level Health Promotion Study Section, National Institutes of Health.
Member, Project SPF Advisory Committee, American Cancer Society National Office
Member, External Advisory Committee, State Tobacco Education and Prevention Partnership, Colorado Department of Public Health and Environment
Member, External Advisory Board on Tobacco Control Activities, Colorado Trust
Member, Working Group on State of the Field of Communication, National Communication Association
Member, Governor's Scientific Advisory Board, Colorado Tobacco Research Program
Member, Scientific Advisory Committee, 5 A Day for Better Health Program, National Cancer Institute
Invited Attendee, Designing for Dissemination Conference, Division of Cancer Control and Population Sciences, National Cancer Institute
Program Reviewer, Cancer Control PLANET, National Cancer Institute
Member, Scientific Advisory Board, FitnessGram, The Cooper Institute
Invited Attendee, Science of Real-time Data Capture: Self-reports in Health Research Conference, Division of Cancer Control and Population Sciences, National Cancer Institute
Member, Dialogue for Dissemination Task Force, National Cancer Institute
Member, Special Emphasis Review Panel, Diffusion and Dissemination Supplements, National Cancer Institute
Member, Skin Cancer Advisory Group, American Cancer Society
Chair, Special Emphasis Panel, Using Social Marketing to Disseminate Evidence-based Energy Balance Intervention Approaches to Worksite, Division of Extramural Activities, National Cancer Institute
Member, Special Emphasis Panel, Health Protection Research Initiative, Office of Public Health Research, Centers for Disease Control and Prevention
External Peer Reviewer, Promotion and Tenure Committee, Department of Community Medicine, West Virginia University
Chair and Vice Chair, Health Communication Division, International Communication Association
External Peer Reviewer, Promotion and Tenure Committee, Department of Communication and Journalism, University of New Mexico
External Peer Reviewer, Promotion and Tenure Committee, Department of Communication, Wake Forest University
Member, Special Emphasis Panel, Dental and Cranial Research Institute, National Institutes of Health
Ad Hoc Member, Community Level Health Promotion Study Section, National Institutes of Health
Ad Hoc Member, Community Investigations of Health Behavior Study Section, National Institutes of Health
Ad Hoc Member, Dissemination and Implementation Surveillance Supplements Special Emphasis Panel, National Cancer Institute
Ad Hoc Member, Member Applications Special Emphasis Panel, National Institutes of Health
Member, Nutrition and Health Promotion Review Team, Peer Reviewed Medical Research Program, Department of Defense

Grant Reviewer, Behavioral Research Center, American Cancer Society
 Ad Hoc Member, Challenge Grant Special Emphasis Panel, National Institutes of Health
 Permanent Member, Community Influences on Health Behavior Study Section, National Institutes of Health
 Chair, Community Influences on Health Behavior Study Section, National Institutes of Health
 Member, Coordinating Committee, Community Guide on Skin Cancer Prevention, Centers for Disease Control and Prevention
 Member, Data Safety and Monitoring Committee, Neurocognitive Processes in Adolescent Obesity Prevention Project, Claremont Graduate University
 Co-Chair, Special Emphasis Panel for Using Social Media to Understand and Address Substance Use and Addiction (R21) RFA-CA-14-009, National Cancer Institute
 Member, External Search Committee, Director Position, Behavioral Research Program, National Cancer Institute
 External Peer Reviewer, Fellowship Selection Committee, Australian Academy of Health and Medical Sciences
 Grant Reviewer, Infectious Disease Control Programme, The Netherlands Organisation of Health, Research and Development (ZonMw)
 Member, Special Emphasis Panel for Strategies to Increase Delivery of Guideline-Based Care to Populations with Health Disparities PAR-15-279, National Heart, Lung, and Blood Institute
 Chair, Special Emphasis Panel for Intervention and Communication for Cancer Patients, Caregivers, and Communities, National Cancer Institute
 Co-Chair, Organizing Committee, 4th International Conference on UV and Skin Cancer Prevention
 Ad Hoc Member, CSR Anonymization Study Special Emphasis Panel, National Institutes of Health.
 Chair, SEP-1: NCI Clinical and Translational R21 and Omnibus R03 Special Emphasis Panel, National Cancer Institute.

Professional Consultancies:

Evaluation of Dr. Helga Health'nstein Nutrition Education CD-ROM, Cancer Research Foundation of America
 Evaluation and Tailored Skin Cancer Prevention Strategies, Cancer Research Center of Hawaii, University of Hawaii
 Melanoma Task Force, Kahn Melanoma Foundation, West Palm Beach, Florida
 Statewide Evaluation Plan, State Tobacco Education and Prevention Partnership, Colorado Department of Public Health and Environment
 Technical Support to the U.S. Centers for Disease Control and Prevention for Dissemination of National Guidelines on School Programs to Prevent Skin Cancer, Academy for Educational Development
 Consultant, Shade Planning for American Schools, Macro International
 Evaluation of Tobacco Cessation Certification Program, School of Public Health, University of Arizona
 Evaluation of Smokefree.gov Web-based Smoking Cessation Program, Tobacco Control Research Branch, Division of Cancer Control and Population Sciences, National Cancer Institute

Development and Evaluation of a Web-based Program to Improve Activity Adherence in Older Adults: A Pilot Study, Department of Biobehavioral Nursing and Health Systems, University of Washington

Academic Presentations:

October 1982	Effects of Journalists' News Definition on Public Accountability of government Agencies, Department of Program Evaluation, Western Michigan University Extension Service
November 1988	The Effects of Vocalics and Nonverbal Sensitivity on Compliance: Testing Alternative Explanations (class guest lecture), Department of Speech, Communication, San Diego State University
May 1990	Multivariate Research Methods in Communication Research (class guest lecture), Department of Speech Communication, San Diego State University
April 1991	Interpersonal Deception Theory I, Office of Basic Research In-Process Review, U.S. Army Research Institute
April 1992	Interpersonal Deception II, Office of Basic Research In-Process Review U.S. Army Research Institute
February 1993	Interpersonal Deception III, Office of Basic Research In-Process Review U.S. Army Research Institute
March 1994	Interpersonal Deception IV, Office of Research and Advanced Concepts In-process Review, U.S. Army Research Institute
June 1994	Skin Cancer Prevention Research at the Arizona Cancer Center, Centre for Behavioral Research in Cancer, Anti-Cancer Council of Victoria, Carlton South, Victoria, Australia
June 1994	Interpersonal Deception Theory, Department of Psychology, University of Queensland, Brisbane, Queensland, Australia
July 1994	Communication Strategies for Improving Cancer Prevention, Department of Psychology, University of Queensland, Brisbane, Queensland, Australia
March 1995	Testing Communication Strategies to Alter UV Radiation Exposure by Elementary-school-aged Children and Their Parents (class guest lecture), Annenberg School of Communication, University of Southern California
March 1995	Field Methods in Health Communication Research (class guest lecture), Annenberg School of Communication, University of Southern California
November 1995	The Arizona Family Sun Safety Projects, Department of Behavioral Sciences, M.D. Anderson Cancer Center
April 1997	Communication Strategies for Cancer Prevention: Theoretical Research

- in Community Settings (class guest lecture), Annenberg School of Communication, University of Southern California
- May 1997 Selected Findings from the 5 A Day, Healthier Eating for the Overlooked Worker Project, School of Public Health, Harvard University
- October 1997 Research on Communication Strategies in Cancer Prevention (class guest lecture), Department of Preventive Medicine and Biometrics, University of Colorado
- April 1998 Arresting Smoking Uptake with Interactive Multimedia Project: Current Status, Division of Cancer Prevention and Control, National Cancer Institute
- June 1998 Selected Outcomes of the Family Sun Safety Project, Centre for Behavioral Research in Cancer, Anti-Cancer Council of Victoria, Carlton South, Victoria, Australia
- July 1998 Findings from Research on Sun Safety Programs for Children and Their Parents, Cancer Foundation of Western Australia, Perth, Western Australia
- September 1998 Increasing Fruit and Vegetable Intake with Peer Education in a Multicultural Labor and Trades Employee Population: Primary Outcomes of the Arizona 5 A Day Project, Center for Health Research, Portland, Oregon
- October 1998 Theory-based Research in Cancer Prevention at the AMC Cancer Research Center, Norris Cotton Comprehensive Cancer Center, Dartmouth College
- January 2000 Health Communication Research at AMC Cancer Research Center (class guest lecture), Department of Communication, University of Colorado at Denver
- December 2000 Internet: A Change Agent for Rural Multicultural Adults—Progress Report, Health Communication and Informatics Research Branch, Division of Cancer Control and Population Sciences, National Cancer Institute
- June 2001 A Comparison of Community Channels for Family Sun Safety, Division of Cancer Control and Population Sciences Seminar Series, National Cancer Institute
- July 2001 Sun Safety of High Altitude Ski Area Staff and Guests—Progress Report, Health Promotion Research Branch, Division of Cancer Control and Population Sciences, National Cancer Institute
- October 2001 Internet Approaches to Cancer Prevention (class guest lecture), Department of Preventive Medicine and Biostatistics, University of Colorado Health Sciences Center
- December 2001 Internet: A Change Agent for Rural Multicultural Adults—Update, Health Communication and Informatics Research Branch, Division of Cancer Control and Population Sciences, National Cancer Institute
- January 2002 Tobacco Control Partners: Web-based Support for Community Tobacco Control Coalitions Project, Tobacco Control Research Branch, National Cancer Institute

- April 2002 Health Communication Strategies in Cancer Prevention (class guest Lecture), Department of Public Health, University of Denver
- December 2002 Internet: A Change Agent for Rural Multicultural Adults—Progress Report, Health Communication and Informatics Research Branch, Division of Cancer Control and Population Sciences, National Cancer Institute
- January 2003 Sun Safety for High Altitude Ski Area Employees and Guests, Fred Hutchinson Cancer Research Center, University of Washington
- July 2003 Sun Safety for High Altitude Ski Area Staff and Guests – Progress Report and Sunny Days, Healthy Ways Grade 6-8 Sun Safety Curricula – Update, Health Promotion Research Branch, Division of Cancer Control and Population Sciences, National Cancer Institute
- May 2004 Delivering a Smoking Prevention Program Over the Internet: Efficacy of the Consider This Program with U.S. and Australian Adolescents, Oregon Research Institute
- December 2004 Creating Effective Programs for Schools to Improve Childhood Sun Protection: 12 Years of Research on the *Sunny Days, Healthy Ways* Program, Colorado Dermatologic Society
- October 2007 Creating an Effective Application for Federal Funding & Negotiating an Application Through the Federal Review Process, Michigan State University
- October 2007 From School Desk to Chair Lift: Translational Research on Health Communication about Sun Safety. Erwin Bettinghaus Lecture in Health Communication, Michigan State University.
- April 2008 Promoting Sun Safety: Translational Research on Health Communication. McConnell Health Communication Lecture, West Virginia University.
- February 2009 Protecting the Nation’s Health: Health Communication for Activating Institutional Change. Keynote Speech, Celebration of Scholarship 2009, Kent State University.
- February 2009 Creating an Effective Application for Funding: Experiences with NIH and CDC; The Internet and Computer-based Technologies: Communicating with Children and Adults about Preventive Behaviors. College of Communication and Information, Kent State University.
- April 2011 A Comprehensive Approach to Occupational Sun Safety: Theory, Education, Translation, and Policy. Psychiatry and Behavioral Sciences Grand Rounds, Memorial Sloan Kettering Cancer Center.
- July 2011 Partnerships for Occupational Sun Safety. Research to Reality Cyber-Seminar Series, National Cancer Institute.
- December 2011 Research on Educating Outdoor Workers, Promoting Policy to Schools, and Deploying Mobile Phone Technology. Centre for Behavioural Research in Cancer, Cancer Council Victoria (Australia).
- December 2011 Development and Initial Test of the Real e Quit Mobile Smart Phone Mobile Application. Quit Victoria (Australia).
- April 2012 Tobacco Control Partners: Online Tobacco Technical Assistance. Media Network Webinar, Centers for Disease Control and Prevention.

- February 2013 Shade for Sun Protection. Department of Environmental Design, University of Colorado.
- May 2013 Development and Integration of a Multi-channel Worksite Training Program. National Institute of Occupational Safety and Health.
- May 2014 Sun Safety Advice on a Mobile App: Results of Two Randomized Trials. Division of Cancer Prevention and Control, U.S. Centers for Disease Control and Prevention.
- August 2014 Opportunities and Challenges for Technology-based Approaches to Parent/Child Programs. Next Generation of Parent/Family Based Prevention Programs Workshop, Center for Prevention Implementation Methodology, Northwestern University.
- October 2014 Personal Behavior, Program Implementation, and Policy Adoption: Diffusion of Innovations Principles in Effective Interventions. 2014 Crosstalk Symposium, National Cancer Institute.
- March 2015 The Application of Diffusion Theory in Health Communication Research Promoting Occupational Skin Cancer Prevention. Applied Social and Health Psychology Colloquium Series, Colorado State University.
- April 2016 From Kedzie to Klein Buendel: Maxims from a Life in Communication Research. Department of Communication, Michigan State University.
- October 2016 Policy and Environmental Interventions for Sun Safety in Schools, Workplaces, and Public Spaces. School of Occupational and Public Health, Ryerson University.
- December 2016 Working Through and In Organizations for Sun Safety, Expert Meeting on Sun Safety, National Academy of Sciences.
- June 2017 SBIR/STTR Grant Mechanism at NIH, Getting Dissemination and Implementation Science Ideas Funded – An Interactive Pragmatic Workshop. University of Colorado Medical School.
- August 2017 How to Discuss Your Research Idea and Make It Compelling in 3-5 Minutes, Behavioral and Social Sciences (BSS): A Workshop on Professional Development in Cancer Prevention and Control Research, National Cancer Institute.
- April 2018 Precision Skin Cancer Prevention: A Sun Safety Mobile App. Patient Centered Outcomes Research 8th Annual Symposium, Washington University in St. Louis.
- April 2019 From Employee Education to Organizational Policy: Evolution of Strategies for Sustained Implementation of Occupational Sun Protection. School of Medicine, University of Colorado Anschutz Medical Campus.

Professional Presentations:

- April 1981 Nonverbal Communication in the Hospital Therapy Setting, American Occupational Therapy Association, University of Chicago, Chicago, Illinois
- March 1983 The View from the Newsroom, Women in Communication, Inc. Regional Conference, Lansing, Michigan
- November 1987 Reading Between the Lines: Body Language and Nonverbal Communication American Academy of Medical Directors, Biannual Institute, Tucson, Arizona

November 1989	Social Influence: Winning with Grace, American College of Physician Executives, Biannual Institute, Tucson, Arizona
September 1992	Deceptive Communication With Novice and Expert Interviewers, U.S. Army Human Intelligence School Command, Fort Huachuca, Arizona
August 1995	Sun Awareness Curriculum for Elementary Schools, School Nurses Organization of Arizona, Annual School Health Nursing Seminar, Scottsdale, Arizona
April 1997	5 A Day: Healthier Eating for the Overlooked Worker Project, Corporate Board of Directors, Produce for Better Health Foundation, Monterey, California
July 1998	Sun Safety Programs for Children, Community Advisory Board, EPA Sunwise School Program, National Safety Council, Redwood City, California
October 1998	Arresting Smoking Uptake with Interactive Multimedia Project, Jefferson County School District Research Conference, Arvada, Colorado
May 1999	Arresting Smoking Uptake with Interactive Multimedia Project City Council, Lakewood, Colorado
July 2004	How to design and run impact evaluations. National Master Gardener Coordinators Conference, Fort Collins, Colorado
May 2005	Go Sun Smart – Lessons Learned, Education Committee, National Ski Areas Association, Scottsdale, Arizona
September 2005	Communicating Risk in the 21 st Century, National Ski Areas Association and the Northeast Ski Areas Association, Bretton Woods, New Hampshire & Copper Mountain, Colorado
November 2006	Whatthehealth.org: An Online Health Assessment for Young Adults. BACCHUS Network, Anaheim, California
January 2007	Creating a Program Evaluation Plan and Utilizing Data to Drive Programs. BACCHUS Network, Denver, Colorado
March 2007	Trends and Features of New Communication Technologies: Implications for Program Planning, Implementation, and Evaluation. BACCHUS Network Tobacco Symposium, Denver, Colorado
May 2008	Trends and Features of New Communication Technologies: Implications for Program Planning, Implementation, and Evaluation. BACCHUS Network Tobacco Symposium, Sacramento, California
September 2012	Good Sun, Bad Sun...Safe Sun. American Planning Association, Colorado Chapter
September 2012	Go Sun Smart: Sustaining a Skin Cancer Prevention Program, 2001-2012. Pinnacol/Wells Fargo Ski Resort Workers Comp Workshop

Honors and Awards:

- Top Three Paper, Nonverbal Communication Interest Group, Eastern Communication Association Convention, 1980
- Top Three Paper, Interpersonal Communication Interest Group, Western Speech Communication Association Convention, 1983
- Top Paper, Communication Theory and Research Interest Group, Western Speech Communication Association Convention, 1985

Top Four Paper, Interpersonal Communication Division, Speech Communication Association Convention, 1987

Top Three Paper, Interpersonal Communication Interest Group, Western Speech Communication Association Convention, 1988

Top Four Paper, Interpersonal Communication Division, Speech Communication Association, 1988

Top Three Paper, Interpersonal Communication Division, International Communication Association, 1989

Golden Sun Award, University Teaching Center, University of Arizona, 1990

Top Paper, Interpersonal Communication Division, International Communication Association, 1995

Top Paper, Interpersonal and Small Group Communication Division, Speech Communication Association, 1995

Top Paper, Interpersonal Communication Division, International Communication Association, 1996

Top Paper, Interpersonal Communication Division, Western States Communication Association, 1997

Top Three Paper, Interpersonal Communication Division, International Communication Association, 1998

Outstanding Researcher/Research Project, Colorado Cancer Coalition, 2006

Fellow, Society for Behavioral Medicine, 2009

Everett Rogers Public Health Communication Award, Public Health Education and Health Promotion Section, American Public Health Association, 2009

Abstract Citation Award, Society of Behavioral Medicine, 2010

Lewis Donohew Outstanding Scholar in Health Communication Award, Kentucky Conference on Health Communication, University of Kentucky, 2012

3rd Place Poster Presentation, 2nd International Conference on UV and Skin Cancer Prevention, 2013

Research Presentation of Distinction Award, D.C. Health Communication Conference, 2013

Outstanding Alumni Award, College of Communication Arts and Sciences, Michigan State University, 2016

Convention Presentations and Activities:

Eastern Communication Association, Ocean City, 1980

Competitive Paper: Judging the accuracy of facial expressions: A methodological inquiry (Peter A. Anderson & David B. Buller)

*Designated a Top Three Paper

Eastern Communication Association, Pittsburgh, 1981

Competitive Paper: Participation: A look at the central concept of participative management and its impact on job satisfaction in an academic work environment (David B. Buller, Lisa Moore, Karen Luttrell & Susan Furr)

International Communication Association, Minneapolis, 1981

Competitive Paper: Communication of emotional meaning by human facial expressions: The nature of the discrimination (David B. Buller)

International Communication Association, Boston, 1982

Competitive Paper: Relational messages associated with immediacy behaviors (Judee K. Burgoon, David B. Buller, Jerold L. Hale & Mark A. deTurck)

Panel Chairperson: Instructional/Developmental Communication Division

Western Speech Communication Association, Albuquerque, 1983

Competitive Paper: An investigation of nonverbal cue combinations and the validity of aggregation measurement techniques in a spontaneous persuasive interaction (David B. Buller)

*Designated a Top Three Paper

Eastern Communication Association, Ocean City, MD, 1983

Invited Paper: Deception detection and the passive receiver: Are we assuming too little? (David B. Buller)

International Communication Association, Dallas, 1983

Competitive Paper: The communication world of the working journalist (David B. Buller, Judee K. Burgoon, Michael Burgoon & Charles Atkin)

Eastern Communication Association, Philadelphia, 1984

Panel Chairperson: Nonverbal Communication Interest Group

Western Speech Communication Association, Fresno, 1985

Competitive Paper: Relational message interpretations in dyadic interactions (David B. Buller & Mary E. Diez)

*Designated the Top Paper

International Communication Association, Honolulu, 1985

Competitive Paper: Effects of vocalics and nonverbal sensitivity on compliance: A replication and extension (David B. Buller & Judee K. Burgoon)

Speech Communication Association, Denver, 1985

Competitive Paper: The reliability of the audio portion of the profile of nonverbal sensitivity: A research note (David B. Buller)

Panel Chairperson: Interpersonal Communication Division

Respondent: Oral Interpretation Division

Western Speech Communication Association, Tucson, 1986

Competitive Paper: Communication reticence as a determinant of source reward in the violations of expectations model (David B. Buller)

Invited Presentation: Current research on the violations of nonverbal expectations model (David B. Buller)

International Communication Association, Chicago, 1986

Competitive Paper: Selecting deceptive communication (David B. Buller)

Competitive Paper: Why minorities do not choose journalism (Judee K. Burgoon, Michael Burgoon, David B. Buller, Deborah A. Coker & Ray A. Coker)

Panel Chairperson: Instructional/Developmental Communication Division

Manuscript Reader: Instructional/Developmental Communication Division

Fourth Biennial Conference on Adolescent Research, Tucson, 1987

Invited Presentation: Sex on the media: A case for the effects on adolescents' sexual knowledge and behavior (David B. Buller & Warren Pease)

Speech Communication Association, Boston, 1987

Competitive Paper: Deception by intimates, friends and strangers: Attributional biases due to relationship development (David B. Buller)

*Designated a Top Four Paper

Invited Paper: Nonverbal response patterns in physician-patient interactions (Richard L. Street, Jr. & David B. Buller)

Western Speech Communication Association, San Diego, 1988

Competitive Paper: Nonverbal cues to deception among friends and strangers (David B. Buller & R. Kelly Aune)

*Designated a Top Three Paper

International Communication Association, New Orleans, 1988

Competitive Paper: Nonverbal predictors of attributions during deception (David B. Buller)

Competitive Paper: Nonverbal communication patterns in physician-patient interactions (Richard L. Street, Jr. & David B. Buller)

Speech Communication Association, New Orleans, 1988

Competitive Paper: Patient characteristics affecting physician-patient communication (Richard L. Street, Jr. & David B. Buller)

*Designated a Top Four Paper

Panel Chairperson: Commission on Health Communication, Interpersonal Communication Division

Western Speech Communication Association, Spokane, 1989

Invited Paper: Deception in established relationships: Application of schema theory (David B. Buller & Joseph B. Walther)

Manuscript Reader: Interpersonal Communication Interest Group

International Communication Association, San Francisco, 1989

Competitive Paper: The effect of probing on deceivers and truth-tellers (David B. Buller, Jamie Comstock & R. Kelly Aune)

*Designated a Top Three Paper

Competitive Paper: The effect of vocalics and nonverbal sensitivity on compliance: Further tests of the speech accommodation explanation (David B. Buller & R. Kelly Aune)

Speech Communication Association, San Francisco, 1989

Competitive Paper: The efficacy of probing as a deception detection strategy: The effect of suspicion and prior knowledge (David B. Buller, Krystyna D. Strzyzewski & Jamie Comstock)

International Communication Association, Dublin, Ireland, 1990

Competitive Paper: Selecting between and within media and interpersonal sources: A functional alternatives perspective (David B. Buller & Warren Pease)

Competitive Paper: Conflict strategies adolescents use with their parents: Testing the cognitive communicator characteristics model (Jamie Comstock & David B. Buller)

Panel Chairperson: Interpersonal Communication Division

Manuscript Reader: Interpersonal Communication Division

Speech Communication Association, Chicago, 1990

Competitive Paper: The efficacy of probing as a deception detection strategy: Behavior changes in response to suspicion (David B. Buller, Krystyna D. Strzyzewski & Jamie Comstock)

International Communication Association, Chicago, 1991

Competitive Paper: Conversing is believing: The inferiority of conversational participants as deception detectors (David B. Buller, Krystyna D. Strzyzewski & Frank Hunsaker)

4th International Conference on Language and Social Psychology, Santa Barbara, 1991

Competitive Paper: The language of interpersonal deception: Falsification, equivocation, and concealment (David B. Buller & Judee K. Burgoon)

American Society of Preventive Oncology, Bethesda, 1992

Abstract: A community survey on cervical cancer screening among young Hispanic women in the southwest (David Buller, Manuel Modiano, Joel Meister, Jill de Zapien, Sally Lash, Paola Villar-Werstler, Frank Hunsaker & Dave Alberts)

International Communication Association, Miami, 1992

Competitive Paper: Conversing is believing: Suspicion and the truth-bias of conversational participants (David B. Buller & Frank Hunsaker)

Speech Communication Association, Chicago, 1992

Competitive Paper: The effect of speech rate similarity on compliance: Creating relational obligations with rate similarity (David B. Buller, Beth A. LePoire, R. Kelly Aune & Sylvie V. Eloy)

Competitive Paper: Vocal variation during deception (Patricia Rockwell & David B. Buller)

American Public Health Association, Washington, 1992

Abstract & Poster: Predicting cervical cancer screening in young Mexican-American women (David Buller, Manuel Modiano, Jill de Zapien, Joel Meister, Sallie Lash & David Alberts)

American Society of Preventive Oncology, Tucson, 1993

Abstract: Lay health educators (promotoras) improve cancer awareness and screening in minority populations: The juntos contra el cancer project (Manuel Modiano, David Buller, Joel Meister, Jill de Zapien, Sallie Lash, Paola Villar-Werstler & Victoria Santa Cruz)

Abstract: Evaluation of an elementary-school curriculum for improving skin cancer prevention (Mary Buller, David Buller & Lois Loescher)

International Communication Association, Washington, 1993

Competitive Paper: The language of interpersonal deception (David B. Buller, Judee K. Burgoon, Aileen Buslig & James Roiger)

Competitive Paper: Viewing deception success from multiple perspectives: Effects of interactional and preinteractional factors (Judee K. Burgoon, David B. Buller, Laura K. Guerrero & Clyde Feldman)

Competitive Paper: The experience, expression, and perceived appropriateness of emotions across levels of relationship development (Krystyna Strzyzewski Aune, R. Kelly Aune & David B. Buller)

Competitive Paper: Predicting adolescent conflict strategies: Application of identity maintenance model (Jamie Comstock & David B. Buller)

Speech Communication Association, Miami, 1993

Competitive Paper: Accuracy in deception detection (Judee K. Burgoon, David B. Buller, Amy Ebesu & Patricia Rockwell)

1st Annual Conference of the Industry's Coalition Against Cancer, Washington, 1994

Invited Presentation: Worksite Cancer Prevention Research at the Arizona Cancer Center (David B. Buller)

5th International Conference on Language and Social Psychology, Brisbane, Australia, 1994

Invited Paper: Interpersonal deception theory (Judee K. Burgoon & David B. Buller)

Invited Paper: Interpersonal deception: VII. Behavioral profiles of falsification, concealment, and equivocation (David B. Buller, Judee K. Burgoon, Cindy White & Amy Ebesu)

Invited Paper: Interpersonal deception: IX. Further analysis of nonverbal and verbal correlates of equivocation from the Bavelas et al. (1990) research (David B. Buller, Judee K. Burgoon, Aileen Buslig & James Roiger)

Panel Chairperson: Accommodation in intergenerational relationships

International Communication Association, Sydney, Australia, 1994

Competitive Paper: Information management dimensions underlying types of deceptive messages (Judee K. Burgoon, David B. Buller, Laura K. Guerrero, Walid A. Afifi & Clyde M. Feldman)

Competitive Paper: Parent's sources of information on skin cancer prevention for their children (David B. Buller, Mark A. Callister & Thomas Reichert)

Competitive Paper: Debt and compliance in interpersonal relationships: Testing the transferability of obligations (David B. Buller, Toshiyuki Kikuchi & Sylvie V. Eloy)

Competitive Paper: Sunshine and skin health: A curriculum for skin cancer prevention education (Mary Klein Buller, Lois J. Loescher & David B. Buller)

Competitive Paper: Intensity of experienced and expressed emotions: A comparison between daters and marrieds (Krystyna Strzyzewski Aune & David B. Buller)

Speech Communication Association, New Orleans, 1994

Invited Paper: Behavioral sequences in interpersonal deception (David B. Buller & Judee K. Burgoon)

Panel Chairperson: Invited Panel: Alternative communication channels for reaching populations with public health messages, Health Communication Division

Western States Communication Association, Portland, 1994

Invited Presentation: Interpersonal deception theory (David B. Buller & Judee K. Burgoon)

Society of Behavioral Medicine, San Diego, 1994

Competitive Paper: Sun Smart Day: A pilot program for photoprotection (Mary Klein Buller, David B. Buller & Gerald Goldberg)

National Conference on Skin Cancer Prevention, American Academy of Dermatology, Washington, 1995

Invited Presentation: Reducing UV radiation exposure in adults and children

International Communication Association, Albuquerque, 1995

Competitive Paper: The arousal-immediacy link: A critical test of three theories of immediacy exchange (Peter A. Andersen, Laura K. Guerrero, David B. Buller & Peter F. Jorgensen)

*Designated the Top Paper in the Division

Speech Communication Association, San Antonio, 1995

Competitive Paper: Interpersonal deception: XIV. The effects of planning (David B. Buller, Judee K. Burgoon, Cindy H. White & Aileen Buslig)

*Designated the Top Paper in the Division

Invited Presentation: Evaluation succession: Experiences from the Arizona Family Sun Safety Project

Invited Discussant: Comments on the programmatic research of Judee Burgoon

American Academy of Dermatology, Washington, 1996

Invited Presentation: Skin cancer prevention for elementary-school children

World Conference for Cancer Organisations, Melbourne, Australia, 1996

Invited Paper: A family intervention to increase solar protection (David Buller, Michael Burgoon, John Hall, Mikel Aickin, Norman Levine, Ann Taylor, Barbara Beach, Charlene Melcher, Mary Klein Buller, Sid Bowen, Julia Emerson, David Alberts & Frank Hunsaker)

Invited Presentation: Experimental methods in the family sun safety projects

Program Chair: Best practices in melanoma prevention (Session III)

International Communication Association, Chicago, 1996

Competitive Paper: The role of immediacy in deceptive interpersonal interactions (Judee K. Burgoon, David B. Buller, Walid A. Afifi, Cindy H. White & Aileen L. S. Buslig)

*Designated the Top Paper in the Division

Competitive Paper: A contextual approach for gaining organizational access and commitment for worksite wellness programs: A case study of the Arizona "5 A Day" experience (Calvin Morrill, David B. Buller, Mary K. Buller & Linda K. Larkey)

Conference on Increasing Fruit and Vegetable Acceptance and Intake, Reading, England, 1996

Keynote Address: Behavior change strategies in the U.S. 5 A Day for Better Health Program

6th International Conference on Language and Social Psychology, Ottawa, Canada, 1997

Invited Paper: Using language intensity and argument style to increase sun safety in parents and children: Selected findings from the Arizona family sun safety project (David B. Buller, Michael Burgoon, John R. Hall & Ronald Borland)

International Communication Association, Montreal, Canada, 1997

Competitive Paper: The role of cognitive heuristics, message comprehension, cognitive busyness, and behavioral cues on judgments of message credibility (David B. Buller, Judee K. Burgoon, Walid A. Afifi, Cindy H. White & Aileen L. S. Buslig)

Panel Chairperson and Respondent: Health message strategies and impact, Health Communication Division

4th World Conference on Melanoma, Sydney, Australia, 1997

Invited Paper: Behavioral intention changes the effectiveness of message features in a program to increase family sun safety (David B. Buller, Ronald Borland & Michael Burgoon)

Panel Chairperson: Communication strategies for melanoma control

19th World Congress of Dermatology, Sydney, Australia, 1997

Invited Abstract: Stimulating communication about sun safety within families with young children (David Buller, Michael Burgoon, John Hall, Mikel Aickin, Norman Levine, Charlene Melcher, Barbara Beach, Ann Taylor & Mary Buller)

Invited Abstract: Evaluation of the sunny days, healthy ways sun safety curriculum for children in kindergarten through fifth grade (David Buller, Ann Taylor, Barbara Beach, Mary Klein Buller & Sid Bowen)

International Communication Association, Jerusalem, Israel, 1998

Competitive Paper: Does participation affect deception success? A test of the interactivity effect (Judee Burgoon, Kory Floyd, Roslyn Viprakasit & David Buller)
*Designated a Top Three Paper in the Division

National Childcare Association, Orlando, 1999

Invited Presentation: Sun safety in the childcare environment (Mary Buller & David Buller)

International Communication Association, San Francisco, 1999

Competitive Paper: Long-term effects of language intensity in preventive messages on planned family solar protection. (David Buller, Michael Burgoon, John Hall, Norman Levine, Ann Taylor, Barbara Beach, Mary Buller, & Charlene Melcher)

Invited Presentation: Arresting smoking uptake with interactive multimedia project: Designing a web-based smoking prevention program for children. (David Buller, W. Gill Woodall, John Hall, Ronald Borland, Bryan Ax, Melissa Brown, Joan Hines, Scott Leischow, Hye-ryeon Lee, & Patricia Burris-Woodall)

Invited Respondent: Community-based health communication panel, Health Communication Division

Youth Investigators Meeting, National Cancer Institute, Washington, DC, 1999

Invited Presentation: Arresting smoking uptake with interactive multimedia project: Update and future plans. (David Buller, W. Gill Woodall, John Hall, Ron Borland, Scott Leischow, Joan Hines, Melissa Brown, Bryan Ax and Patricia Burris-Woodall)

National Minority Research Conference, Phoenix, 1999

Invited Presentation: Improving the consumption of fruits and vegetables in a multicultural workforce: The success of peer education in informal social networks. (David Buller)

Youth Investigators Meeting, National Cancer Institute, Denver, 2000

Invited Poster Presentation: Arresting smoking uptake with interactive multimedia. (David Buller, W. Gill Woodall, John Hall, Ron Borland, Scott Leischow, Bryan Ax, Melissa Brown, Joan Hines & Patricia Burris-Woodall)

International Congress of Behavioral Medicine, Brisbane, Australia, 2000

Invited Presentation: Consider this web-based smoking prevention and cessation program for adolescents. (David Buller)

International Communication Association, Washington, DC, 2001

Invited Presentation: Success and challenges in implementing the considerthis.org smoking prevention and cessation website in middle schools. (David Buller, Joan Hines,

Melissa Brown, John Hall, Bryan Ax, W. Gill Woodall, Patricia Burris-Woodall & Ron Borland)

Invited Presentation: Navigating the scientific review process at the national institutes of health. (David Buller)

Invited Paper: Evaluation of the sunny days, healthy ways sun safety curriculum for kindergarten – fifth grade. (David Buller, Ann Taylor, Mary Klein Buller, Sid Bowen, Pamela Powers, Julie Maloy & Barbara Beach)

Youth Investigators Meeting, Tobacco Control Research Branch, National Cancer Institute, Park City, UT, 2001

Invited Presentation: Challenges to producing and implementing the consider this web-based smoking prevention and cessation program. (John Hall, David Buller, Bryan Ax, Melissa Brown, W. Gill Woodall, Ron Borland, Joan Hines)

American Association for Cancer Education, Los Angeles, 2001

Invited Abstract: Development of a skin cancer prevention education program for ski resort workers. (David Buller, Barbara Walkosz, Peter Andersen, Michael Scott, Gary Cutter & Mark Dignan)

American Public Health Association, Atlanta, 2001

Invited Presentation: Implementing the considerthis.org tobacco control website for young adolescents: challenges and usage data. (David Buller, W. Gill Woodall, John Hall, Ron Borland, Joan Hines, Bryan Ax, Patricia Burris-Woodall & Melissa Brown)

Invited Presentation: The Colorado tobacco research program. (David Buller)

American School Health Association, Albuquerque, 2001

Invited Poster: Sunny days, healthy ways: Middle school sun safety. (Cristy Geno, David Buller, Kim Reynolds, Amy Lazarus Yaroch, Kate Jirsa, Joan Hines & Melissa Brown)

National Conference on Tobacco or Health, New Orleans, 2001

Invited Poster: Web-based support for community tobacco control coalitions project. (David Buller, Erwin Bettinghaus, Mark Dignan, Gary Cutter, Walter Young, Donald Helme, Russ Glasgow, Karen DeLeeuw, Chris Sherwin, Joseph Walther, Ron Borland & Peter Andersen)

Invited Presentation: Web-based smoking cessation and prevention for young adolescents: The consider this program. (David Buller, W. Gill Woodall, Ron Borland, John Hall & Patricia Burris-Woodall)

Western Communication Association, Long Beach, CA, 2002

Invited Presentation: Sun safety for high altitude ski area staff and guests: What we will learn from testing the large-scale worksite sun-safety campaign. (David Buller)

Conference on Global Health, Iowa City, IA, 2002

Invited Presentation: From interpersonal influence to interactive multimedia: Intermedia approaches to health promotion. (David Buller)

International Communication Association, Seoul, South Korea, 2002

Invited Presentation: Web-based school health programming in the United States: The Consider This program. (David Buller)

International Society of Behavioral Medicine, Helsinki, Finland, 2002

Invited Seminar: Interactive health communication: From idea to implementation. (Michael Fotheringham & David Buller)

Invited Presentation: Using web-based technology to deliver cancer prevention programming

National Conference on Tobacco or Health, San Francisco, 2002

Invited Presentation: Interactive computer-based tobacco cessation and prevention programs: Process issues and program outcomes. (David Buller)

National School Board Association, San Francisco, 2003

Invited Presentation: Skin cancer prevention: Guidelines for schools. (David Buller)

Conference on Virtual Learning in Health Communication, University of Southern California, Los Angeles, 2003

Invited Presentation: Preventing the uptake of smoking with interactive internet tools. (David Buller)

International Communication Association, San Diego, CA, 2003

Invited Presentation: Engaging communities to support tobacco control efforts using on-line tools. (David Buller, Walter Young, Rob Martin, Colleen Nycum, Erwin Bettinghaus, Karen DeLeeuw, & Lavon Burns-Martin)

Tobacco Control Investigators Meeting, National Cancer Institute, Tampa, FL, 2003

Invited Presentation: Community-based participatory research and the role of coalitions in promoting scientifically sound policies. (David Buller, Walter Young, & Erwin Bettinghaus)

American Public Health Association, San Francisco, 2003

Invited Presentation: Go sun smart: Improving employee sun safety in an outdoor recreation industry. (David Buller, Peter Andersen, Barbara Walkosz, Michael Scott, Gary Cutter, Mark Dignan, Elizabeth Zarlengo & Jenifer Voeks)

Invited Poster: The prevalence and predictors of helmet use by skiers and snowboarders at ski areas in western North America. (David Buller, Peter Andersen, Barbara Walkosz, Michael Scott, Gary Cutter, Mark Dignan, Jenifer Voeks)

National Communication Association, Miami, 2003

Competitive Paper: Sunburn rates, sun safety practices, and communication predispositions of college students. (Barbara Walkosz, Peter Andersen, Michael Scott, David Buller, & Salena Monreal)

Dermatology Nurses Association, Orlando, FL, 2004

Invited Presentation: Sun safety for children: From national guidelines to current practice. (David Buller)

American Society of Preventive Oncology, Bethesda, MD, 2004

Invited Presentation: Go sun smart: Communicating skin cancer risk to outdoor workers. (David Buller)

Interdisciplinary Understanding of Online Cancer Services Conference, Clearwater, FL, 2004

Invited Presentation: Interactivity in computer-based health communication programs. (David Buller)

Tobacco Control Investigators Meeting, Tobacco Control Research Branch, National Cancer Institute, San Diego, CA, 2004

Invited Presentation: Arresting the uptake of smoking by adolescents: Results from trials on the internet-based Consider This program. (David Buller)

Invited Presentation: Using the internet to reach youth: Results from the trials on Consider This. (David Buller)

Society for Prevention Research, Quebec City, Quebec, Canada, 2004

Invited Poster: Email notification and website use: Results from a trial of a prevention website (W. Gill Woodall, David Buller, Emily Waters, Bryan Ax, Patricia Burris-Woodall, Randall Starling, and Everett Rogers)

Colorado Cancer Conference, Denver, 2004

Invited Presentation: Go sun smart: Communicating skin cancer risk to outdoor workers. (David Buller)

Invited Presentation: Sun safety education and policies in U.S. public schools. (David Buller)

Cooper Institute Conference, Dallas, TX, 2004

Conference Co-Chair

Society for Research on Nicotine and Tobacco, Prague, Czech Republic, 2005

Invited Presentation: Randomized trials on Consider This, an internet smoking prevention program. (David Buller, Ron Borland, W. Gill Woodall, John Hall, Joan Hines, Patricia Burris-Woodall, Gary Cutter, Caroline Miller, James Balmford, Randall Starling, Bryan Ax, and Laura Saba)

Invited Poster: Controlling exposure to environmental tobacco smoke: Predictors of government officials' support in an American state. (Peter Anderson, David Buller, Jenifer Voeks, Ron Borland, Donald Helme, and Erwin Bettinghaus).

National Conference on Tobacco or Health, Chicago, IL, 2005

Invited Panel: Interactive computer-based tobacco control programs: Applications and outcomes. (Judith Gordon, Herb Severson, David Buller, and Walter Young)

Society for Prevention Research, Washington, DC, 2005

Invited Abstract & Poster: Effects of Sunny Days, Healthy Ways curriculum on students in grades 6-8. (David Buller, Kim Reynolds, Amy Yaroch, Gary Cutter, Joan Hines, Cristy Geno, Julie Maloy, Melissa Brown, W. Gill Woodall, and Joseph Grandpre)

International Communication Association, New York, NY, 2005

Competitive Paper: The effect of endorsement by local opinion leaders and testimonials from teachers on the dissemination of a web-based smoking prevention program (David Buller, Walter Young, Katharine Fisher, and Julie Maloy)

e-Health Applications Conference, Bethesda, MD, 2005

Invited Abstract & Poster: Effect of email notification on return use of a nutrition education website and subsequent changes in dietary behavior. (David Buller, W. Gill Woodall, Donald Zimmerman, Michael Slater, Everett Rogers, Patricia Burris Woodall, Jerianne Heimendinger, Emily Waters, Joan Hines, Sue Davis, and Randall Starling)

Colorado Cancer Conference, Breckenridge, CO, 2005

Invited Presentation: Colorado government officials' attitudes and practices on tobacco and tobacco control. (Snip Young and David Buller)

National Communication Association, Boston, MA, 2005

Invited Presentation: Spotlight on outreach and funding: Seeking funding for health communication research. (David Buller)

Society for Behavioral Medicine, San Francisco, CA, 2006

Invited Presentation: Disseminating evidence-based cancer prevention programs: Issues and results. (David Buller)

International Communication Association, Dresden, Germany, 2006

Competitive Paper: Testing the longterm effects of the Go Sun Smart worksite sun protection program: A group-randomized experimental study (Peter Andersen, David Buller, Jenifer Voeks, Barbara Walkosz, Michael D. Scott, Gary Cutter, and Mark Dignan)

MEDNET 2006, Toronto, Canada, 2006

Invited Abstract: Influencing knowledge, self-efficacy, and readiness to improve dietary behavior in a rural tri-ethnic adult population with a nutrition education website. (David Buller, W. Gill Woodall, Donald Zimmerman, Michael Slater, Jerianne Heimendinger, Everett Rogers, Laura Saba, Emily Waters, Joan Hines, Randall Starling, Barbara Hau, Patricia Burris-Woodall, G. Sue Davis, and Gary Cutter)

American Public Health Association, Boston, 2006

Invited Abstract: Concurrent psychosocial predictors of sun safe behavior among middle school children. (Valentina Andreeva, Kim Reynolds, David Buller, Chih-Ping Chou, and Amy Yaroch) PMC2921699

International Congress of Behavioral Medicine, Bangkok, Thailand, 2006

Invited Abstract: Randomized trial on the 5 a day, the Rio Grande way dietary change website. (David Buller, W. Gill Woodall, Donald Zimmerman, Michael Slater, Jerianne Heimendinger, Everett Rogers, Emily Waters, Joan Hines, Randall Starling, Barbara Hau, Patricia Burris-Woodall, G. Sue Davis, Laura Saba, and Gary Cutter)

International Communication Association, San Francisco, 2007

Competitive Paper: Increasing sun protection in outdoor recreation: A theory-based health communication program. (Barbara Walkosz, David Buller, Peter Andersen, Michael Scott, Mark Dignan, Gary Cutter, and Julie Maloy)

Society for Research on Nicotine and Tobacco, Portland, 2008

Invited Abstract: Improving local tobacco control coalitions with web-based technical assistance (David Buller, Walter Young, Erwin Bettinghaus, Ron Borland, Joseph Walther, LaVon Birney, Donald W. Helme, Karen DeLeeuw, Deborah Montgomery, Gary Cutter, Peter A. Andersen, Jie Zhang, and Katharine Fisher)

Invited Abstract: Stimulating local newspaper coverage supporting tobacco control with a technical assistance website (David Buller, Erwin Bettinghaus, Walter Young, Donald Helme, Ron Borland, Karen DeLeeuw, LaVon Birney, Peter Andersen, Gary Cutter, Joseph Walther, Julie Maloy, and Deborah Montgomery)

Society for Behavioral Medicine, San Diego, 2008

Invited Abstract: Assessing levels of sun protection in public school district policy (Kim Reynolds, David Buller, Simone French, Rose Chon, Katharine Fisher, Jeff Ashley, and Mary Buller)

Invited Abstract: Patterns and predictors of compliance with sunscreen use recommendations in an outdoor recreation setting (David Buller, Peter Andersen, Julie Maloy, Gary Cutter, Barbara Walkosz, Michael Scott, and Mark Dignan)

International Communication Association, Montreal, 2008

Competitive Paper: Testing a theory-based health communication program: A replication of Go Sun Smart in outdoor winter recreation (Peter Andersen, David Buller, Barbara Walkosz, Julie Maloy, Gary Cutter, Michael Scott, and Mark Dignan)

National Conference on Health Communication, Media and Marketing, Atlanta, 2008

Invited Abstract: Sun safety 2.0: New approaches in health communication. (Barbara Walkosz, David Buller, Mary Klein Buller, Peter Andersen, Michael Scott, and Mark Dignan)

Invited Abstract: Testing three games for nutrition education using the internet. (Mary Buller, Ilima Kane, Andrea Dunn and David Buller)

National Communication Association, San Diego, 2008

Invited Speaker: Innovation through collaboration: Doctoral and early career pre-conference in health communication

International Society for Behavioral Nutrition and Physical Activity, Lisbon, Portugal, 2009

Invited Abstract: Design, measures, and response rates in a survey on the dissemination of a physical activity program in the United States. (David Buller, Andrea Dunn, James Dearing, Michelle Guerra, Sara Wilcox, and Gary Cutter)

Invited Abstract: Grow, eat, thrive – growing gardens for health. (Mary Buller, Lee Stiffler-Meyer, Andrea Dunn, Myra Keeble, Erika Edwards, Gary Cutter, Hongjiang Gao, and David Buller)

American Public Health Association, Philadelphia, 2009

Invited Speaker: Emerging theories and models on communicating with children.

Western States Communication Association, Anchorage, 2010

Competitive Panel: The go sun smart story: Ten years of testing the power of theory-based promotion of sun safety at North American ski areas. (Peter Andersen, David Buller, Barbara Walkosz, and Michael Scott)

Kentucky Conference on Health Communication, Lexington, 2010

Invited Speaker: Is anyone clicking? The disconnect between online health information seeking and use of web-based prevention programs.

Society of Behavioral Medicine, Seattle, 2010

Invited Abstract: Effective strategies for disseminating a workplace sun safety program. (David Buller, Peter Andersen, Barbara Walkosz, Michael Scott, Mark Dignan, Gary Cutter, Ilima Kane, and Xiao Zhang)

Invited Abstract: Adoption of an evidence-based physical activity program. (Andrea Dunn, David Buller, Michele Guerra, James Dearing, Xiu Liu, Sara Wilcox, and Erwin Bettinghaus)

International Conference on Language and Social Psychology, Brisbane, Australia, 2010

Invited Abstract: Trends in selective exposure by adults to online nutrition content across four web-based programs. (David Buller, Mary Buller, Xia Liu, and Ilima Kane)

American Public Health Association, Denver, 2010

Invited Abstract: Sun Safe Schools: An effective program to motivate school districts to adopt sun protection policies for students. (David Buller, Kim Reynolds, Jeff Ashley, Mary Buller, Ilima Kane, Cheri Stabell, Kim Massie, and Xia Liu)

mHealth Summit, Washington, 2010

Invited Display: Solar Cell: A mobile application to manage sun safety. (David Buller)

Society for Research on Nicotine and Tobacco, Toronto, 2011

Invited Abstract: Results and cost of a mixed method approach to recruiting young adult smokers to a trial evaluating an online smoking cessation program. (David Buller, Erika Edwards, Herb Severson, Abigail Halperin, Rich Meenan, Brooke Magnusson, and Dominique Fauble)

Society of Behavioral Medicine, Washington, 2011

Invited Abstract: The effect of program implementation on occupational sun protection when disseminating an evidence-based occupational sun protection program. (David Buller, Peter Andersen, Barbara Walkosz, Michael Scott, Mark Dignan, Gary Cutter, Ilima Kane, and Xia Liu)

1st International Conference on UV and Skin Cancer Prevention, Copenhagen, 2011

Keynote Presentation: Evidence-based school interventions and effective interventions in children.

Keynote Presentation: Principles of program evaluation: How are we doing?

Invited Abstract: Development of a smart phone application to assist sun protection. (David Buller, Ilima Kane, James Shane, Marianne Berwick, Kathleen Lantz, and Mary Buller)

International Communication Association, Boston, 2011

Competitive Paper: Dissemination of go sun smart in outdoor recreation: A theory-based health communication program. (Barbara J. Walkosz, David B. Buller, Peter A. Andersen, Michael D. Scott, Mark B. Dignan, Gary R. Cutter, Xia Liu, and Julie A. Maloy)

American College of Sports Medicine, Denver, 2011

Invited Abstract: Factors that predict adoption and implementation of an evidence-based physical activity program. (Andrea L. Dunn, David B. Buller, James W. Dearing, Gary R. Cutter, Michele Guerra, Sara Wilcox, and Erwin Bettinghaus)

Society for Research on Nicotine and Tobacco – Europe, Antalya, Turkey, 2011

Invited Abstract: A study of the feasibility of delivering support for smoking cessation using a smart phone mobile application. (David Buller, James Shane, Ron Borland, and Anthony Bader)

Workshop on the UV Index and Its Role in Risk Communication, Munich, Germany, 2011

Invited Presentation: Deploying mobile communication technologies to promote the UV index. (David Buller)

Dermatology Nurses' Association, Denver, 2012

Invited Presentation: Sun safety for kids at school: What works and what doesn't. (David Buller & Mary Klein Buller)

Society for Research on Nicotine and Tobacco, Houston, 2012

Invited Abstract: Effect of nicotine replacement therapy on quitting by young adults and predictors of use from a trial comparing smoking cessation services. (David Buller, Abigail Halperin, Herb Severson, Ron Borland, Michael Slater, Erwin Bettinghaus, David Tinkelman, Gary Cutter, and Gill Woodall)

Invited Abstract: Results of a randomized trial comparing an online smoking cessation program to a self-help booklet and telephone quit line among young adults. (David Buller, Ron Borland, Herb Severson, Erwin Bettinghaus, Abigail Halperin, David

Tinkelman, Gary Cutter, Donald Zimmerman, Richard Meenan, W. Gill Woodall, Michael Slater, and Brooke Magnusson)

Society of Behavioral Medicine, New Orleans, 2012

Invited Abstract: Using smart phone mobile applications for health: the potential for intervention. (David Buller, Herb Severson, Erwin Bettinghaus, Anthony Bader, and James Shane)

Invited Abstract: Maternal influences on teen tanning: findings from a nationally representative study. (Katie Baker, Joel Hillhouse, Rob Turrisi, David Buller, June Robinson, and Sherry Pagato)

Invited Presentation: Applying communication principles from diffusion of innovations theory for promoting occupational sun protection. (David Buller)

Invited Presentation: Moderators of adoption and implementation of sun protection policies by public school districts in a randomized trial. (David Buller, Kim Reynolds, Jeff Ashley, and Mary Buller)

Expert Consultation

Kentucky Conference on Health Communication, Lexington, KY, 2012

Invited Keynote Presentation: From individuals to intermediaries and back: Health communication for wide-scale impact. (David Buller)

International Communication Association, Phoenix, AZ, 2012

Invited Presentation: Social/new media and health disparities. (David Buller and Kathryn Greene)

Invited Participant: Key themes, debates, and conversations in health communication theory, research, and application: Engaging diverse worldviews in dialogue extended session

Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Stavanger, Norway, 2012

Invited Paper: WayToServe: Results of a randomized trial of web-based RBS training. (W. Gill Woodall, Robert Saltz, David Buller, Randall Starling, and Paul Stanghetta)

Medicine 2.0, Boston, MA, 2012

Invited Abstract: Workplace health policy 2.0: Online tools to promote sun safety policy for outdoor workers. (Barbara Walkosz, David Buller, and Mary Klein Buller)

Conferencia Regional UC- ICA: Trends in International and Latin American Communication Research, Santiago, Chile, 2012

Competitive Paper: The Go sun smart program: A summary and invitation for international collaboration to prevent skin cancer. (Michael Scott, Barbara Walkosz, Peter Andersen, and David Buller)

American Public Health Association, San Francisco, 2012

Invited Presentation: Promoting sun safety for children in outdoor recreation in a trial disseminating an evidence-based sun safety program. (Barbara Walkosz, David Buller, Peter Andersen, Michael Scott, Mark Dignan, and Gary Cutter)

National Communication Association, Orlando, FL, 2012

Competitive Paper: Human papillomavirus vaccines: Beliefs, perceptions, knowledge and intentions to vaccinate among adolescents, their parents, and school nurses and administrators. (Jessica A Nodulman, Randall Starling, W. Gill Woodall, David Buller, Angela Bryan, Alberta Kong, and Cosette Wheeler)

Competitive Paper: “It’s probably the best way to do it!”: Designing and implementing a web-based hpv educational program for adolescents and parents. (Jessica Nodulman, Randall Starling, W. Gill Woodall, David Buller, Angela Bryan, Jerome Romero, and Cosette Wheeler)

Competitive Paper: Nonverbal narratives in health communication interventions. (Peter Andersen, Larry Beck, Barbara Walkosz, and David Buller)

American Geophysical Union Fall Meeting, San Francisco, 2012

Invited Abstract: User observed estimates of cloud fraction for modifying a cloud-free uv index forecast for use in an educational smart-phone application on erythema. (Kathy Lantz, David Buller, James Shane, Mary Buller, Marianne Berwick, and Craig Long)

Society of Behavioral Medicine, San Francisco, 2013

Invited Abstract: Overcoming challenges in developing and implementing technology-based tools to improve health-related decisions and behaviors: Lessons learned. (Erika Waters, David Buller, and Mary Goldstein)

Invited Abstract: Developing a user-centered mobile decision aid for sun protection. (David Buller, Marianne Berwick, Ilima Kane, Mary Buller and Kathleen Lantz)

Invited Presentation: Addressing health inequities with internet interventions in the evolving online world. (David Buller and W. Gill Woodall)

Dermatology Nurses Association, New Orleans, 2013

Plenary Presentation: Mobile sun protection: Development of the solar cell smart phone app. (David Buller and Mary Buller)

Society for Adolescent Health and Medicine, Atlanta, 2013

Invited Abstract: Challenges to implementing a hpv education and vaccination program in New Mexico. (Jessica Nodulman, Alberta Kong, Randall Starling, Angela Bryan, Jerome Romero, Cosette Wheeler, David Buller, and W. Gill Woodall)

Society for Prevention Research, San Francisco, 2013

Invited Abstract: A beta-test of gohealthygirls: A website for hpv vaccine adoption. (W. Gill Woodall, Randall Starling, Jessica Nodulman, David Buller, Alberta Kong, and Cosette Wheeler)

International Communication Association, London, 2013

Competitive Paper: Translating a health communication program promoting sun safety

to ski and snowboard schools throughout North America. (Barbara Walkosz, Peter Andersen, David Buller, Michael Scott, Lucia Liu, Gary Cutter, and Mark Dignan)

2nd International Conference on UV and Skin Cancer Prevention, Berlin, 2013

Invited Abstract: Go sun smart: Examining the sustainability of an occupational sun safety program. (Barbara Walkosz, David Buller, Peter Andersen, Michael Scott, and Gary Cutter)

Invited Abstract: Lessons learned from conducting a randomized trial on the effect of built shade on park goers' use of shade for sun protection. (David Buller, Suzanne Dobbinson, Dallas English, and Ilima Kane)

Invited Abstract: Sun safe workplaces: Policy adoption for occupational sun safety. (David Buller, Barbara Walkosz, Mary Buller, Allan Wallis, Peter Andersen, and Michael Scott)

*Designated the Top Three Poster

National Institute of Water and Atmospheric Research, UV Radiation: Effects on Human Health and the Environment Workshop, Auckland, New Zealand, 2014

Invited Abstract: Effectiveness of a mobile app delivering real-time tailored sun safety advice in a randomized trial. (David Buller, Marianne Berwick, Kathleen Lantz, Ilima Kane, Mary Buller, and James Shane)

Invited Abstract: Successful use of a tablet computer mobile app to observe sun protection practices in Australia and the United States. (Suzanne Dobbinson, Dave Buller, Ilima Kane, James Shane, and Dallas English)

Invited Abstract: A multi-theoretic approach to promoting occupational sun safety policy at public employers. (Mary Buller, Barbara Walkosz, David Buller, and Michael Scott)

Invited Abstract: Sustained impact of an occupational sun safety program 5-7 years on. (Barbara Walkosz, David Buller, Peter Andersen, Michael Scott, and Gary Cutter)

American Association of Cancer Research, New Orleans, 2014

Invited Plenary Presentation: Research on establishing policies for comprehensive uv protection. (David Buller)

International Communication Association, San Juan, 2015

Competitively-selected Paper: Sustained impact of an occupational skin cancer health communication campaign on outdoor workers (2001-2012). (Barbara J. Walkosz, David Buller, Peter Andersen, and Michael Scott)

Competitively-selected Paper: The conversations about cancer (CAC) project – phase II: national findings from a randomized control trial. (Wayne A. Beach, David M. Dozier, Mary Klein Buller, Kyle Gutzmer, Lyndsey Fluharty, Valerie H. Myers, and David B. Buller)

National Conference on Health Communication, Media, and Marketing, Atlanta, 2015

Invited Plenary Presentation: Working with industry partners to promote sun safety. (David B. Buller)

3rd International Conference on UV and Skin Cancer Prevention, Melbourne, Australia, 2015

Invited Preconference Presentation: Risk communication, UV Index, and calls to action. (David B. Buller)

Invited Preconference Presentation: Policy/environment surveillance. (David B. Buller)

Invited Abstract: Exposure to UVR, other baseline findings, and lesson learnt from a built shade intervention in Denver and Melbourne. (David Buller, Suzanne Dobbinson, Dallas English, Jody Simmons, and Courtney Fultineer)

Invited Abstract: Sun safety policy adoption in California school districts containing elementary schools. (Kim Reynolds, David Buller, Julia Griffith, Kim Massie, Mary Klein Buller, and Jeff Ashley)

Invited Abstract: Promoting adoption of policies for occupational sun safety: Findings from the sun safe workplaces trial. (David Buller, Barbara Walkosz, Mary Buller, and Allan Wallis)

Society of Behavioral Medicine, Washington, DC, 2016

Invited Abstract: Results of usability testing of a training on responsible retail marijuana sales practices. (David Buller, W. Gill Woodall, and Robert Saltz)

Invited Abstract: Prevalence of sun protection at outdoor recreation venues at resorts in North America. (Barbara Walkosz, Michael Scott, David Buller, Peter Andersen, Larry Beck, and Gary Cutter)

Invited Abstract: Social media use among parents in Tennessee. (Mary Kate Baker, Sherry Pagoto, David Buller, Barbara Walkosz, Joel Hillhouse, and Julia Griffith)

Invited Abstract: Staging schools on the diffusion of innovations process for an intervention to implement sun safety. (Kim Reynolds, Kim Massie, David Buller, Julia Griffith, Mary Buller, Jeff Ashley, and Richard Meenan)

Society for Prevention Research, San Francisco, CA, 2016

Invited Abstract: Pseudo-underage assessment of compliance with ID regulations at retail marijuana outlets in Colorado. (David Buller, W. Gill Woodall, Robert Saltz, and Randall Starling)

Invited Abstract: Low awareness of district sun safety policy by school principals. (Kim Reynolds, David Buller, Julia Griffith, Kim Massie, Mary Buller, Jeff Ashley, Richard Meenan, and Xia Liu.)

Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Stockholm, Sweden, 2016

Invited Paper: What are marijuana regulators learning from alcohol regulators in the United States? (W. Gill Woodall, Robert Saltz, David Buller, and Randall Starling)

7th International Dermato-Epidemiology Association Congress and 2nd Keratinocyte Carcinoma Consortium Meeting, Denver, 2016

Invited Plenary Presentation: School and work sun safety: Policy initiatives for real world impact. (David B. Buller)

World Cancer Congress, Union for International Cancer Control, Paris, 2016

Invited Abstract: Preventing skin cancer and mosquito bites in the age of Zika: Shared protection practices, habits, and barriers. (David Buller, Barbara Walkosz, and Ian Buller)

Invited Abstract: Effect of a comprehensive approach to occupational sun protection on

senior managers in local government organizations in a U.S. state. (Barbara Walkosz, David Buller, Mary Buller, Allan Wallis, Peter Andersen, Michael Scott, and Gary Cutter)

Society of Behavioral Medicine, San Diego, 2017

Invited Abstract: Effect of an intervention on observed sun protection by vacationers in a randomized controlled trial at North American resorts (David Buller, Peter Andersen, Barbara Walkosz, Michael Scott, Larry Beck, and Gary Cutter)

Invited Abstract: Results of a cross-national randomized trial on the effect of built shade on use of recreational areas in public parks (David Buller, Suzanne Dobbins, Dallas English, Melanie Wakefield, Mary Klein Buller, Jody Simmons, and James Chamberlain)

Invited Abstract: A mixed methods approach to designing a social media intervention for mothers of adolescent girls in Tennessee. (Katie Baker, Sherry Pagoto, David Buller, Barbara Walkosz, Joel Hillhouse, Julia Griffith, and Oluwatosin Ariyo)

Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Sheffield, UK, 2017

Invited Paper: Uptake of web-based rbs training to prevent alcohol over-service. (W. Gill Woodall, David Buller, Robert Saltz, Randall Starling, and Paula Stanghetta)

National Communication Association, Dallas, 2017

Invited Speaker: Cancer Communication Panel.

10th Annual Conference on Dissemination and Implementation, Crystal City, VA, 2017

Invited Abstract: Creating a cost analysis template for a health promotion program at elementary schools in California. (Kim Massie, Julia Berteletti, Mary Buller, Kim Reynolds, David Buller, Alishia Kinsey, and Richard Meenan.)

Society of Behavioral Medicine, New Orleans, 2018

Invited Abstract: Moderators of implementation of occupational sun protection policy by public-sector employers in a randomized trial. (David Buller, Barbara Walkosz, Mary Buller, Allan Wallis, Richard Meenan, and Xia Liu)

Invited Abstract: Correlates of sun safe policy implementation among elementary schools (Kim Reynolds, David Buller, Julia Berteletti, Kim Massie, Jeff Ashley, Mary Buller, and Richard Meenan)

Invited Abstract: Methodological challenges of social media-delivered health promotion interventions. (Sherry Pagoto, Julia Berteletti, Barbara Walkosz, Jessica Oleski, Ashley Palumbo, Katie Baker, Joel Hillhouse, Kim Henry, and David Buller)

4th International Conference on UV and Skin Cancer Prevention, Toronto, Canada, 2018

Invited Abstract: Costs of sun safety policy implementation in California elementary schools. (Richard Meenan, David Buller, Kim Reynolds, Kim Massie, Julia Berteletti, Mary Buller, and Jeff Ashley)

Invited Abstract: Estimated cost of occupational sun protection policy intervention delivery to public-sector employers. (Richard Meenan, David Buller, Barbara Walkosz, Rachel Eye, Mary Buller, and Allan Wallis)

Invited Abstract: Implementation strategies: Review of a sun safety program in

California. (Kim Massie, Julia Berteletti, Brianne Freeth, Jeff Ashley, Mary Buller, David Buller, and Kim Reynolds)

Invited Abstract: Formative research to develop sun safety ink! (ssi!), a skin cancer prevention training program for tattoo artists. (Barbara Walkosz, Robert Dellavalle, Mary Buller, David Buller, Rachel Eye, and Savanna Olivas)

Plenary Respondent: Applying geospatial modeling for skin cancer prevention. (David Buller)

Invited Workshop Presentation: A facebook intervention to reduce mothers' permissiveness for indoor tanning: Health chat. (David Buller)

International Communication Association, Prague, Czech Republic, 2018

Invited Paper: Effect of a communication theory-based occupational skin cancer prevention program on employee sun safety practices. (Barbara Walkosz, David Buller, Mary Klein Buller, Allan Wallis, Richard Meenan, Michael Scott, Peter Andersen, and Gary Cutter)

American Public Health Association, San Diego, 2018

Invited Abstract: Implementation and effectiveness of an online responsible vendor training for recreational marijuana stores in colorado, oregon, and washington state. (David Buller, W. Gill Woodall, Robert Saltz, Andrew Grayson, Mary Klein Buller, and Sierra Svendsen)

European Society for Prevention Research, Lisbon, Portugal, 2018

Invited Abstract: Influence of personal and group characteristics on group-based club intervention outcomes. (Brenda Miller, Veronica Rogers, Hilary Byrnes, Mark Johnson, David Buller, Joel Grube, and Julia Berteletti)

Eurogin International Multidisciplinary HPV Congress, Lisbon, Portugal, 2018

Invited Abstract: Vacteens: Results from ongoing trials of mobile web apps to improve hpv vaccine uptake. (W. Gill Woodall, Gregory Zimet, Jeannyfer Reither, Alberta Kong, David Buller, Lance Chilton, Valerie Myers, Randall Starling, and Tamar Ginossar)

Invited Abstract: Insights on hpv vaccination from mothers' comments on facebook posts in a randomized trial. (David Buller, Barbara Walkosz, Julia Berteletti, Sherry Pagoto, Jessica Oleski, and Mary Kate Baker)

11th Annual Conference on Dissemination and Implementation, Washington, DC, 2018

Invited Abstract: Economic evaluation of a sun protection promotion program in California elementary schools. (Richard Meenan, Kim Reynolds, David Buller, Kim Massie, Julia Berteletti, Mary Klein Buller, and Jeff Ashley)

Society of Behavioral Medicine, Washington, DC, 2019

Invited Abstract: Mothers' beliefs about adolescent marijuana use: insights from a Facebook-delivered intervention and randomized trial. (Julia Berteletti, David Buller, Sherry Pagoto, Barbara Walkosz, Jess Bibeau, Katie Baker, Joel Hillhouse, and Kim Henry)

Invited Abstract: Randomized trial evaluating an intervention supporting implementation

of sun safety policies in public elementary schools. (Kim Reynolds, David Buller, Mary Klein Buller, Kim Massie, Julia Berteletti, Jeff Ashley, and Richard Meenan)

5th Biennial DC Health Communication Conference, Fairfax, VA, 2019

Invited mentor: Grant Writing 101: Boot Camp with NIH

Society for Prevention Research, San Francisco, CA, 2019

Invited Abstract: Group cohesion among social drinking groups at nightclubs and risk from alcohol and other drugs. (Hilary Byrnes, Brenda Miller, Beth Bourdeau, Mark Johnson, David Buller, Julia Berteletti, and Veronica Rogers)

Invited Abstract: Group-based intervention for overuse of alcohol in a high-risk context: Examining the influence of group gender composition on outcomes. (Brenda Miller, Hilary Byrnes, Veronica Rogers, Beth Bourdeau, Joel Grube, Mark Johnson, David Buller, and Julia Berteletti)

Invited Abstract: Refusal of pseudo-intoxicated customers by retail marijuana outlets in three U.S. states. (Robert Saltz, David Buller, W. Gill Woodall, and Andrew Grayson)

Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Utrecht, Netherlands, 2019

Invited Paper: WayToServe Español: A web-based responsible beverage service training for spanish-speaking alcohol servers. (W. Gill Woodall, David Buller, Robert Saltz, Frank Perez, Areli Chacon-Silva, Victoria Sanchez, Jeannyfer Reither, Randall Starling, and Leonel Diaz)

THESIS:

Communication of emotional meaning by human facial expressions: The nature of the discrimination. Master's thesis, Auburn University, 1980.

DISSERTATION:

The effects of vocalics and nonverbal sensitivity in a persuasive interaction: A replication and extension. Dissertation, Michigan State University, 1984.

PUBLICATIONS:

Books, Monographs, and Edited Volumes:
